

Green Mission Statement

At Fulfillment Concepts, Inc. we make every effort to operate our business in an environmentally responsible manner. We are committed to comply with all applicable environmental laws and regulations, and recognize that reducing the environmental impact of our operations is an important part of the value we deliver to our customers.

We strive to achieve environmental excellence and work with our employees, customers, partners and suppliers to meet the environmental commitments summarized below.

- Comply with applicable environmental laws and regulations and operate our facility with all necessary environmental permits, approvals, and operational controls.
- Promote relevant "Green" initiatives by way of our employees, strategic partners and suppliers.
- Be guided by the principle of continuous improvement of environmental performance.
- Train employees on our policy and instill environmental responsibility as a corporate value.
- Strive to buy, sell and use environmentally friendly products whenever the market place allows.
- Continuously review our Environmental "Green" Statement and ensure it remains appropriate to the nature, scale and environmental impacts of our activities and services.
